

Park Board Minutes
January 14, 2010

Meeting called to order by President K. Shaner. Open meetings law noted to be posted.

Following members present: K. Shaner, L. Shaner, Robinson and Teeter.

New Business:

2. Acknowledged the city was awarded a \$5000.00 grant for purchasing 30 tons of diamond pro for the ball fields, from College World Series of Omaha Inc.
3. Discussion/recommendation concerning big ball field and issues relating to the grass in-field to serve proposed spring baseball.

Bruce Sill told the board someone, didn't recall the name at the time, to give estimate for heating the concession stand and restrooms. The estimate will be forwarded to the board for review.

Discussion concerning the possibility of high baseball games being held on the big ball field. Motion to recommend the council waive the fees for high school baseball to use the fields, as was done for high school softball. Motion failed for lack of a second.

4. Discuss staff comments/recommendations concerning the big ball field.

Motion to recommend the city get estimate of costs to improve the building and ball fields. (Water, heat for the buildings, removal of the grass in-field replacing clay with black dirt, and replace the sod)
Motion carried.

5. Discuss/recommendation concerning trail maintenance priority during server winter. Issue was discussed and will be researched.

Meeting adjourned.
