

Minutes of the Fort Calhoun Enhancement Committee Meeting

June 1, 2009

In Attendance: Judy Boyd, Dixie Humphrey, Sue Newman, LaDona Schuler

Note: The meeting was held at the Rustic Inn as the 14th Street Ice Cream & Grill was closed that day.

Status of Banner Order

Current status of the banner order is tabled until the next meeting due to the absence of Judi Seaver who is handling the order.

Fort Calhoun Trail Head Plantings

Sue Newman informed us that there is five feet of land available to plant instead of the two feet we thought was available. It was proposed that a fence matching the fencing at the Baseball Fields be installed at the Trailhead to protect the plantings. The fencing would start past the driveway leading into the Fireworks Stands area. More discussion on the plantings was tabled until next meeting.

Adopt-A-Street Program

So far there are a total of nineteen people and two groups who have already adopted streets. The Boy Scout Troop 114 and the Fort Calhoun High School Spanish Club are the two groups. We discussed having signs printed with information on streets available for adoption.

Funding Options For Enhancement Committee Projects

This discussion was tabled until next month.

“Family Walk Fort Calhoun Day”

Saturday August 1st is the date set for the Walk as it coincides with Living History Days at Fort Atkinson. It was suggested mile markers be posted and route map be planned and printed.

Suggestions For Future Agenda Items

Continue the discussion of the particulars and activities to be planned for The Family Walk Day.

Discuss themes for the flags that Sherry Brooks will sew for us. She sent two samples of flags she has made which were very nicely done.

Public Comments

Rita and Jerry Taylor suggested we choose plants that will attract birds and/or butterflies to be planted at the Trail Head.

Our next meeting will be held at Goldie’s Deli at 6:00p.m. on Monday, July 6, 2009.
