OLD BUSINESS

5. Discussion of Bike Racks: Colleene presented information and pictures of a number of bike racks available and reported that Deb had asked Fort Calhoun business owners if they were interested in having a bike rack in front of their buildings. The following business owners would be in favor of a bike rack: Too Far North, The Rustic, The Longhorn and Shiloh Attraction, the Library, and Taylor Quick Pick. The Conoco is at this time undecided. Installations at the two parks in town may also be a possibility, but will have to be discussed with the Park Board. Colleene will follow up with the business owners to determine what bike rack they would want and also the best location for each location. Lori will ask the business owners for their input.
6. Marker for Grist Mill Stones: Tabled for a later discussion.
7. Historical placques for Main Street buildings: Lori reported that the Museum and the Park Board are considering similar projects. This project will need to be coordinated with other organizations.

9. Replacement of broken Flag holders: Tabled.

A move to adjourn was made by Colleene and seconded by Jackie. The next meeting of the Enhancement Committee will be March 25th, at 6:00 pm at City Hall.
