OLD BUSINESS

Christmas in Calhoun:

Hayrack Rides: Enhancement Committee served cookies and cocoa at the Maintenance Building during the Hayrack Rides. Only about 30 people participated in the event.

Kids' Shopping: Committee members helped set up and wrap gifts.

Future Projects: We will discuss another event to do for Christmas in Calhoun.

Lighting Contest: Committee members voted on the winners. The contest winners were announced at the City Council meeting on December 16th; first place went to Ron and Gloria Penas, second place to Ruth and Lee Anderson, and third place to Kelli Armstrong. Honorable mention went to Duane Gage and Terry & Angie Hurt.

NEW BUSINESS

Splash Park Donation: Judy will confirm that it is alright to Enhancement donate funds for the Splash Park (\$250 for a brick).

Snow Removal: Snow has been piled up around the small trees on the sidewalk along Hwy 75. The snow along with the salt and gravel will damage them.

A flowering **lilac tree** has been hit/pushed either by snow equipment or while work was being done in front of the Longhorn Bar. The tree is now tipped; it was one that was tagged to be replaced.

Many of the **bricks** around the trees have been dislodged or pushed down into the planting areas. Judy will notify City Hall.

Door Mats: After further discussion it was decided not to provide door mats to businesses.

Future Projects: Some items to be researched and discussed next month were enhancing the signage to the baseball field – Lori.

Small "Grow Where You Are Planted" flags or signs for our flower pots in the summer – Judy.

Safety vests for committee members especially when working along Hwy 75 – Jackie

Meeting adjourned at 7:15pm
