### OLD BUSINESS

6. Trees and Flowers - Arborist from ABS Tree Care looked at trees.
  - Japanese Lilacs were planted too deeply – pulled back the mulch and some of the soil. Wait and see how they fare in the spring.
  - The trees, especially Crabapples (our two and Joel's), have bag worms. The worms will need to be sprayed in early spring when they emerge from the ground.
  - Rose cleaned up Suverkrubbe Memorial area and Bob mulched around Sycamore trees.
7. Farmers Market
  - Royce Welchert has beautiful produce and his customer base keeps growing; he will continue at Farmers' Market until produce dwindles.
  - Honey and BBQ vendors sell each week also.
8. Halloween/Trunk-or-Treat
  - Promote Trunk-or-Treat at West Market Square Park
  - Serve hot dogs and cocoa to everyone – last year gave away 240.
  - Meet at park at 4pm to set up; begin at 5:30pm until we run out of hot dogs.
  - See if FCYSO has leftover chips or drinks from the concession stand.
  - Put up flyers in town and send home with school children; put a line on water bill.
