Announcement of Open Meeting Compliance

**Roll Call:** Judy Boyd, Jackie Henderson, Lori Lammers, Coleene Robinson, Rose Therkildsen

Absent: Cheri Oelke, Jean Welchert

Guest: Beth Dieteman

**Minutes** from the August meeting were emailed to members and copies were available; minutes approved.

#### **OLD BUSINESS**

**Trees and Flowers:** The flowers along main street continue to look good and have been decorated for fall (Rose purchased at 90% off) fall signs and scarecrows to put in the flower pots. We will ask Corbin to move the pots to the shed after we have a freeze.

While ABS Tree Care was checking our trees we asked about pruning the four sycamore trees on Hwy 75. We received an estimate from ABS Tree Care and will pass it along to City Hall.

**Farmers Market** is over for the season. Royce Welchert set up about 11:00am each Thursday and had a steady flow of customers. He plans to return next year. The BBQ and the Honey sales seemed to go well also.

**Halloween Trunk-or-Treat:** Judy will purchase the cocoa, hot dogs and condiments. We plan to set up on Halloween night at 4:00pm and give out hot dogs at 5:30pm until they are gone. Coleene will ask if FCYSO has left over chips or drinks. Flyers will be put up on bulletin boards and sent home with the school children. Order a Porta Potty because the water will be turned off at the park.

#### **NEW BUSINESS**

**Military Flags in front of City Hall:** Discussed several different types and sizes of flags; Lori will email examples to everyone before our next meeting.

**Enhancement Recognition:** Discussed re-instating the Yard of the Month. We will consider again in the spring.

**Christmas in Calhoun:** Lighting Contest will have guest judges again this year. There will be two hayracks with horses this year with a stop at the maintenance building. The maintenance building needs outside lighting and Christmas lights. Ask Corbin about outside lighting and music; check our Christmas lights to see what will work. Enhancement Committee will provide cocoa and cookies.

Meeting adjourned at 7:05pm.

Next Enhancement Committee meeting will be Monday, October 28, 2019 at 6:00pm at City Hall.
