

Fort Calhoun Enhancement Committee

Fort Calhoun City Hall

June 26, 2023

MINUTES

Call to order by Judy Boyd at 6:05pm

Announcement of Open Meeting Compliance

Roll call: Judy Boyd, Amanda Donahoe, Cheri Oelke, Rose Therkildsen, Lynn Teeter, Jackie Henderson. All welcomed new member Lynn Teeter.

Absent: Beth Dieteman, Lori Lammers

Minutes from Monday, May 22, 2023 meeting were approved

OLD BUSINESS:

Last month it was discussed that the River Birch and Sycamores trees by City Hall have suckers growing out of their trunks and should be pruned off. We are waiting for clarification from Corbin if he will be handling this project or hiring it done.

Last month we also discussed the South entrance area - there is a tree with several dead limbs that need pruning and removal of the pine tree that is growing under deciduous trees. Need clarification from Corbin if he will be handling this project or hiring it done.

More mulch is needed to be spread out around Sycamore trees.

Suverkrubbe Historical Marker is looking better after weeds have been removed in bed and along the sidewalk. Some more mulch is needed to finish up this area to suppress weeds.

Flower watering schedule is working well - it was discussed that plants need some fertilizer -Cheri volunteered to do this on her scheduled "watering" day this week - Wednesday - Damaged 100' hose was replaced by 50' hose with easy attachment to faucet.

Curb Alert: feedback from public was very good

Rose and Cheri gave feedback regarding meeting they attended at City Hall on the CPI questionnaire suggestions. All suggestions are being compiled and prioritized on a spreadsheet and then will be evaluated.

Meeting adjourned at 6:50

Next meeting: Monday, July 31, 2023 at 6pm in the Fort Calhoun City Hall

Submitted by Jackie Henderson
